RESPONSE TO OFFICE COMMUNICATION

Mail Stop Amendment  
Commissioner for Patents  
Alexandria, Virginia 22313-1450

Sir or Madam:

This responds to the Office Communication mailed on 5 February 2007.

The undersigned thanks Mr. Randolph Reese for his courtesy in the telephone conversation on 19 March 2007. He explained that the Office Communication should not have been sent by the Examiner, that no substantive reply is required by the applicants at this time, and that applicants should send this pro forma reply to adjust the status of the application (i.e., action is required by the PTO and not by the applicants).

Respectfully submitted,

L. Friedman, Reg. No. 37,135
